

## Sponsor Spotlight - Miller Heating and Cooling

Loveland is proud to celebrate the corporate sponsors who partnered with the City to host events in 2019. Their generosity allowed us to host events that showcased our amazing City and provided fun and entertainment for our residents and visitors alike. Each week, we will be recognizing a corporate sponsor who made these events possible through their generosity and community spirit. This week we would like to showcase Miller Heating and Cooling, LLC.

Miller Heating and Cooling, LLC was proud to sponsor the City of Loveland's Rails, Trails, and Ales Festival. Providing residential and commercial heating and air-conditioning services in and around the Loveland area, they are family owned and operated since 1984. Equipped to handle anything from routine maintenance to complete new installation, the team at Miller Heating and Cooling, LLC can handle all of your HVAC needs.

As a graduate of Loveland High School and former Firefighter/EMT at the Loveland Symmes Fire Department, owner Brian Miller is proud to be part of celebrating and giving back to the community that means so much to him.
